

International Day of Older Persons - 1 October 2023

A month of celebrations from
25 September - 27 October

International Day of Older Persons (IDOP) is an annual celebration day established by the United Nations. If you are a voluntary and community organisation who supports older people aged 50+ (World Health Organisation definition) we would like your help to celebrate IDOP 2023.

Grants of up to £400 are available for a celebratory event that is accessible to older people, their carers, family and friends. The grant can be used to cover event promotional materials, refreshments and catering, entertainment, venue hire, and discretionary transport.

Events should aim to increase social participation, promote wellbeing, and celebrate positive images of older people ageing well in Calderdale. They must be open access to new members where possible and run between Monday 25 September and Friday 27 October 2023.

Applications available from the [Calderdale Forum 50 Plus](#) website. The deadline for applications is noon on Friday the 1 September 2023.

For more information, please contact Justin Magner, Senior Public Health Practitioner | Justin.magner@calderdale.gov.uk or call **07745 206164**
